This restriction is being implemented to protect public resources and prevent the spread of noxious weeds. This restriction will remain in place until March 1, 1999, unless ORV restrictions are made permanent sooner.

Persons exempted from such restrictions are all MT Fish, Wildlife and Parks, and BLM personnel during the performance of their duties on described lands. Also exempted are cooperators in the management of agricultural lands, at such time as they are working on described lands to prepare fields, plant crops, control weeds, or harvest crops.

Copies of maps showing open roads are posted at various locations in Loma, on the property, and at BLM offices in Havre, Fort Benton and Great Falls.

Any persons in violation of these off-road vehicle regulations will be subject to all applicable penalties, including fines not to exceed \$1,000 and/or one year imprisonment.
